Hello Ex. 6 Personal Privacy (PP)

I remember you from the Rapid City public hearing. I checked with our attorneys about whether I am allowed to release contact information for the individuals who testified during the public hearings. It is true that the public hearing transcripts are public records. However, the contact information is not public information because it is considered to be personally identifiable information which is protected under EPA's Privacy Policy:

<https://www.epa.gov/sites/production/files/2015-09/documents/2151.1.pdf>

The names of everyone who testified are available in each of the transcripts from the public hearings. The transcripts are available on EPA Region 8 UIC website:

I bet you could connect with many of these people through the Black Hills Clean Water Alliance Facebook page:

Hello. I am Ex. 6 Personal Privacy (PP) one of many who testified at the Dewey Burdock hearings in Rapid City, Edgemont, and Hot Springs in early May of this year.

I am interested in receiving the contact information of everyone who testified. It is my understanding that this is a public record. Will you please send me the list of all the folks who testified at that time?

Would this be by email or hard copy?

Thank you so much for your assistance.
